

FROM THE DIRECTOR .....

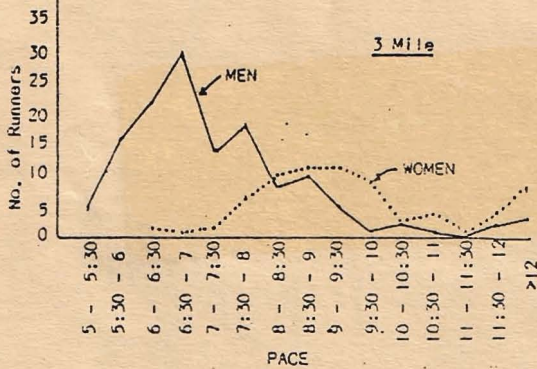

Thank you for your participation in NORCAL 1981. I hope that your performance was at least what you wanted and that the race itself lived up to or (hopefully) exceeded your expectations.

I have received a lot of positive feedback regarding the Twosome and Club Competitions, the marking of the race course, the aid stations, the lunches and the prizes that were given away. I have also received some excellent suggestions as to how the race can be improved (race day registration procedures, finish chute procedures, awards to overall top finishers) and as many as possible will be implimented in 1982.

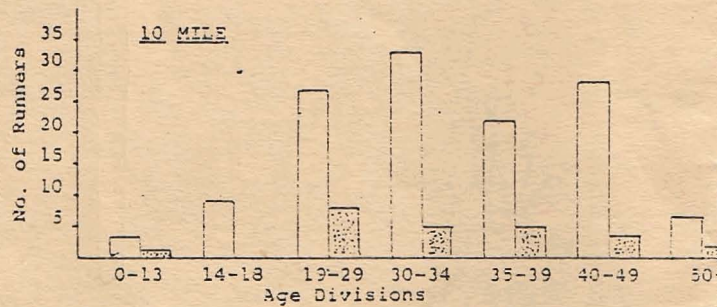

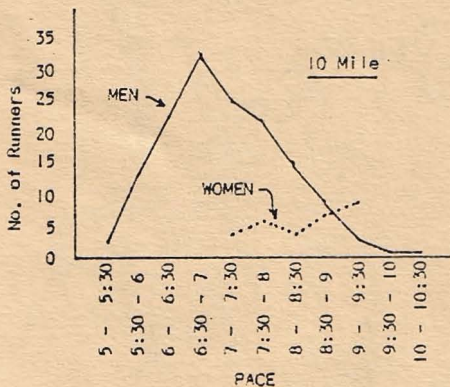

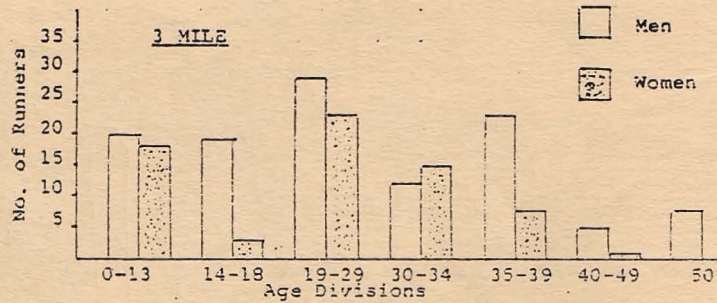

Mark your calender and tell your Club and friends if you enjoyed this years race - next years race is tentatively scheduled for Saturday, March 27, 1982. Hope to see you there.
